NEW AND

## Important Discovery

GRAY HAIR can be restored to its original color whether Auburn, Brown or Black. Sandy, Light or Red Hair can be matched with any darker shades, surpassing in beauty and in the most natural tints, terminating the gloss and softness of the original Hair, by using O. M. Ballard's

Permanent Liquid Hair Dye,

Of the preparation, which is entirely different from all the preparations now in use. We do not hesitate to say, *it is free from all injurious properties, which can be found in other dyes*, and will not fail to produce the color as above stated, or the money will be refunded. It will impart a rich glossy softness to the hair, which will not crack, fade, or wash out.

In short, from its peculiar delicacy, softness, and easy application, it is worthy the attention of all who may wish to improve the color of the Hair, as it will make gray shade from a white to a perfect black. It is now for the first time offered to the public, by persons who have procured the receipt from the Proprietor, who is a practical Chemist, and has used it with entire success in his own family for many years. It is warranted to produce the above results, or the money will be refunded. Price 50 cents per bottle.

Dr. Charles A Brown, of Deane Rose Glen, Alabama, who is one of the best Physicians in the State, says that he has used much time and study in the use of the Vegetable Extract, and that he unhesitatingly recommends it in every case of Liquid Hair which comes under his professional care.

Thomas G Mayberry, Esq. formerly Postmaster at Lime Mills, Cumberland, Pa. now living in Erie County, Pa. writes that he has given the Hair Restorative a fair trial, and that he is happy to say that it has done more than was expected. His wife's hair, which was entirely forced from her head by fever, is now growing finely.

Rev. Mr. Smith, Rector of St. Luke's Church, Spotswood, New Brunswick, N. J. writes that he has used O. M. Ballard's Vegetable Extract, and that he finds it to be a most valuable one. That he hopes by Divine blessing to receive more fruits.

PILEPTIC FITS,

For twenty seven years has a most terrible case, cured by the use of a simple vegetable medicine.

Also, of the Fifteen Years' distressing case of the son of Mr. Stone, Lynn, Mass. who had been afflicted with Epileptic Fits for upwards of seven years and six months—After every thing else had been tried without success, and the case pronounced incurable by the most eminent physicians, and he given up for dead, he was restored to sound health and strength by the use of this truly valuable medicine, and is now living and in the enjoyment of excellent health, and is now receiving any benefit to others, and is cured by using

*HART'S VEGETABLE EXTRACT*

Have spent over three thousand dollars for medicine and medical attendance. I was advised to take a trip to Europe with him, which I did. I first visited England. I consulted the most eminent physicians in every city I visited, they one and all told me that they could do nothing for me. I then visited the three months which I passed in England, at the close of which I returned home no better, but rather worse, having spent over two hundred and fifty dollars, pocketed by the physicians, and the most that I received was their opinion that my case was hopeless, and

*POSITIVELY INCURABLE*

I accordingly left England and travelled through Scotland, Germany and France, and returned home in the town of Mexico where I was born, and as far from being cured as when I left. I saw your advertisement in one of the New York papers, and concluded to try Hart's Vegetable Extract, giving your statements and certificates of so many cures, some of twenty and thirty years standing, and I can assure you I am happy to inform you that by the use of Hart's Vegetable Extract alone it was restored to

*PERFECT HEALTH.*

The reason, which was suffering me to unfit him for business entirely restored, with the prospect now before him of life, health and usefulness. He is now 28 years of age and 27 years 6 months of this time he has been afflicted with this most dreadful of diseases, but thank God is now enjoying good health.

Rev. S. C. Cutler, the writer, don't believe in—I'll say I will believe ever credited to you in one thing, and if I here enclose you one hundred dollars, I have no doubt you will think it another and quite a different thing. The debt of gratitude I still owe you, but I can accept this amount as interest on the debt in advance. Yours, very respectfully,

(Signed,) WILLIAM SECORE.

*THE TIME IS NOT FAR DISTANT*

When millions will who are now trembling under the head of this dreadful disease, and fearing that every breath may prove fatal, will find permanent relief and be restored to new life by using this celebrated medicine.

### NEVER DESPAIR OF LIFE!

KELLEY & CO'S

HIGHLY CONCENTRATED

## *SARSAPARILLA*

Cures the Worst Diseases that ever preyed on the Human System, and saves Thousands of Lives

Annually!!

10,000 CASES

OF SCROFULA cured by it this year, and 5,000 Cases DYSPEPSIA and HUMORS, of which *proof* can be furnished. This is the only medicine known to cure these diseases.

THIS Sarsaparilla will bear TWO QUARTS OF WATER to a Bottle and then be far superior to any in use. It is put into the Bottle in FULL STRENGTH and power, without reducing it, and this is done for the special benefit of those who use it, as it is objected to all other Sarsaparillas that they are Weak, Chimey, Adulterated, Sickish and are wholly incapable of reaching the seat and cause of the disease. But this Sarsaparilla comes warranted to be

Six Times Stronger

than any other, and Six Times Better Safer Surer, and Cheaper than all others. *THIS* Sarsaparilla has bestowed on it some of the best MEDICAL Talents and Skill in the world, and CURES all the Sickness KILLS all the Pain and REMOVES all the suffering that it is in the power of Human means to do. It Cures

Scrofula, Dyspepsia, Jaundice, Liver Complaint, Humors, Canker, Costiveness, Rheumatism, Cancer, Debility of the System, Salt Rheum, and every Disease which arises from Impure Blood!

CONSUMPTION CURED WITH

KELLEY & CO'S SARSAPARILLA!

A PHYSICIAN, who is truly the most distinguished of any in a large City for professional skill CERTIFIES, stonishing as it may seem, that he actually CURED a case of Consumption with Kelley & Co's Sarsaparilla, and says that there is no medicine in which he has so much confidence for Diseases of the Lungs." Some will marvel at this REMARKABLE Cure, but hundreds are knowing to the fact. This INESTIMABLE Sarsaparilla is also doing wonders in foreign cities! And save

*SIR BENJAMIN BRODIE,*

Surgeon to the Royal Family of England "that there is no other medicine which is CAPABLE of doing so MUCH GOOD, and yet so INCAPABLE of doing injury." What distinguished compliments are these! Never was there a medicine honored with STRONGER TESTIMONIALS. It CURES when every thing else fails, the

Severest Scrofula and Humors,

where the flesh falls off the bones—the bones are diseased and the DART OF DEATH seem ready to strike the sufferer. And the reason for this is, that it makes the BLOOD perfectly Pure Rich, Healthy Quick Free Nutritious. It CURES all those ALARMING cases of DYSPEPSIA and JAUNDICE, where the Liver is Swollen and Painful, Strength wasting Appetite gone Pulse weak, or Feverish Skin yellow Nerves deranged. It restores Health, Strength, and Vigor, to every disordered function of the System—causing them to move on just as Nature requires. And for its WONDERFUL Power over Disease in every form and part which no other Medicine possesses, the public justly style it the

*Master Remedy of the Age!*

The great secret of all its triumphant success over all other Sarsaparillas is, that it does not tamper with the patient or prolong his sufferings. But it first attacks the disease and stop it, then removes it, then brings up the flesh and strength on a perfectly pure Blood so that the cure is always thorough and permanent. Others only scatter or harden the disease, but the EXTIRPATES it wholly from the system—thus gives the patient while others endanger it. The whole Body is made so healthy by the use of this GIANT MEDICINE, strengthening the stomach and bowels, and making all consumptive habits—thus Sarsaparilla, Tamaic and Wild Cherry Bitters are especially unrivalled.

## Election of President.

Our hopes have grown up into fruition The people of the country have elected, as we fully and firmly believe, the honest and true, the first and patriotic, the able and right minded Zachary Taylor as their President

There is a great moral and political lesson taught in the fact that the great State of Pennsylvania has given her electoral votes for Zachary Taylor She has stood up heretofore, through long years, as the cornerstone of the Democratic arch Buttressed and decorated in 1844 and made to believe that the democratic party was the party in favor of American labor, in favor of sustaining and elevating our country and of conferring good upon the people This deception was unmasked by the destruction of the tariff of 1842 which had been used as a motto and a political watch cry in the Presidential campaign of 1844, and the passage of the revenue tariff of 1846 and passed, too, by the casting vote of her own citizen Mr Dallas the Vice President The people of this great State have risen in the majesty of their right as freemen, as friends of labor as the supporters of a protective tariff and by their votes vindicated themselves and their principles by rebuking their deceivers and throwing, this time, decisively, her own casting vote and which has cast the die in favor of Zachary Taylor and the true American policy

The first glance at the field of contest among the States North and South, shows that the support of Taylor has not been on account of his support of slavery He has been opposed as strongly there by the slave holding interest as he has at the North by the Locofoco party His election is not, rightfully to be attributed to any such cause No He has been elected by the people on a reference to his ability, his reliable character his conservative views and in the hope that when he comes into office will not interrupt the business of the country

Instead of making an hourly glut excesses our duty for the country and our efforts in behalf of the people to correct the wrongs of party rule

We trust the Whigs of the country will bear this in mind, that, glorious and happy as the result is, unprecedented in form & they should do their part in beginning the redemption of the pledges they have given to the people Let them be up and doing and earnest and unfortunate pledges Until we would cheerfully worship beneath the free ide of good government which we have helped to prepare The true democracy of the Whig party of the country would be to rebuke the party of treason & misrule by a prompt and generously to their opponents rem ember that their great leader who oversees all the changes & changes to pursue—a long reverse for the country

Let us rejoice that the election of Zachary Taylor as a great step in the country which shall be a substantial benefit to the people of all classes and parties by the adoption of a wise and equal tariff and by their votes vindicated themselves and their principles by rebuking their deceivers and throwing, this time, decisively, her own casting vote and which has cast the die in favor of Zachary Taylor and the true American policy

The first glance at the field of contest among the States North and South, shows that the support of Taylor has not been on account of his support of slavery He has been opposed as strongly there by the slave holding interest as he has at the North by the Locofoco party His election is not, rightfully to be attributed to any such cause No He has been elected by the people on a reference to his ability, his reliable character his conservative views and in the hope that when he comes into office will not interrupt the business of the country

## State of Maine.

HEAD QUARTERS, }
Augusta, Sept 1, 1848. }

THE appointment of companies to the several divisions of the militia of Maine according to the provisions of the law now in force, gives to the

It will be seen by this law that divisions are allowed the term of two years to raise their quota of volunteers, at the expiration of which, on failing to furnish the numbered companies to which they are entitled other troops will be authorized to raise them on petitioning to the commander in chief It is hoped that the martial spirit of our citizens has not become entirely extinct by the long suspension of active military service but that there still exists in our State those military and patriotic impulses that will ensure a willing and prompt return to duty and a vigorous organization in each division of the militia of Maine if all the force allowed by law

Independent companies already organized are invited to join the volunteer corps of our State, and whenever they indicate to this department their wish and determination to comply with the provisions of law they will be furnished with arms by the State

Our citizens generally are also invited to organize new companies with becoming promptitude, petitions for which may be forwarded to the office of the Adjutant General

The State has now on hand a variety of muskets and rifles and in a few weeks will be in possession of nearly one thousand percussion rifles, of the latest and most approved model which will be subject to the order of companies first making application By the Commander in Chief

## Ayer's Cherry Pectoral,

*For the cure of Coughs Colds, Asthma Hoarseness, Bronchitis Whooping Cough, Croup and Consumption.*

WHEN this remedy is used the most desperate cases of the lungs or throat need be feared for it gives immediate relief, and if persevered in effects a permanent cure. The formula by which it is prepared has been laid before the medical colleges, and is a part of the medical Profession of this country and they have agreed, in approving it as the most powerful remedy and most certain remedy known for diseases of the Lungs and Throat.

*DR BARTLETT, OF CONCORD, MASS.*, says he cannot say in too extensive a form his approval of it as a remedy in the cases of *Whooping Cough*, he having found it more sure to cure than troublesome disease than any other medicine

*DR. BREWSTER, OF WINDHAM SO., CONN.*, sends us the following testimony

DR J C AYER—*Dear Sir*—I enclose you a certificate from Mrs Catherine R Cady, a highly respectable lady of this village, wife of Mr Seth Cady, Dep'y Sheriff, Windham Co. Conn. Those sent to her case was very prompt, and has attracted great attention.

COMPOUND EXTRACT OF

## SARSAPARILLA,

*Wonderful and Blessing of the Age*

THE MOST EXTRAORDINARY MEDICINE IN THE WORLD!

*This Extract is put up in Quart Bottles—it is six times cheaper than quantity and warranted superior to any cold by advertising Doctor, Druggist, Nothings, or substituting the Potent*

The great beauty and superiority of the Sarsaparilla over other medicine is, while it eradicates diseases it invigorates the body. It is one of the very best

*SPRING AND SUMMER MEDICINES*

ever known. It not only purifies the whole system and strengthens the person but it *creates new pure and rich blood* as never possessed by so strong a medicine. I think the grand secret of its great success—It has been tested more than the last three years in more than 100,000 cases of every variety of disease, at least 15,000 of which came under my own observation. It has since the first of June last 5 000 bottles during that time not one case

10 000 *CASES OF GENERAL DEBILITY AND WANT OF NERVOUS ENERGY*

Dr Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their mental energy by any cause, whether it be excessive study, or the secret habit, or the indulgence of various *Private Pills* sending on the nervous system beneath want of exercise, fearful sensations, premature decay and bodily infirmity, are restored by it to perfect health and vigor. Those who have been reduced to the last degree by the use of Mercury, or poisonous drugs, can be entirely restored by it to pleasant remedy This Sarsaparilla is far superior to any

*INVIGORATING CORDIAL,*

As it gives tone, and invigorates the system, gives activity to the limbs and strength to the muscular system, to a most extraordinary degree.

*CONSUMPTION CURED*

Diseases and Strictures, such as Consumption, Sore throat, Bronchitis, Consumption, Liver Complaint, Colds, Catarrhs, Coughs, Asthma, Spitting of Blood Soreness in the Chest, Hectic Flush, Night Sweats, Difficult or profuse expectoration, Pain in the Side, &c, have been made to be cured.

*SPITTING BLOOD*

*New York, April 26 1847*

DR TOWNSEND—I certify I have that your Sarsaparilla has been the means through Providence, of saving my life I have for several years had a cough to become worse and worse At last I raised for a quantity of blood, and night sweats and was greatly debilitated and reduced and did not expect to live—I have only used your Sarsaparilla a short time, and there has a wonderful change been wrought in me I am now able to walk all over the city I raise no blood, and my cough has flown You can well imagine that I am thankful for these results

Your obedient servant,

WM RUSSELL, 651 Atherine st

*RHEUMATISM*

*Black well's Island, Sept 14, 1847*

Dr Townsend—Dear Sir I have sold and recommended terribly for nine years with the best of my considerable of the time I could not walk, sleep or walk I had the most dreadful pains and my limbs were terribly swollen I have used four bottles of your Sarsaparilla and they have done more than one thousand dollars worth of good I am as much better—and am entirely relieved You are at liberty to use this for the benefit of the afflicted Yours, respectfully,

JAMES CUMMINGS

*FITS! FITS! FITS!*

Dr Townsend not having tested his Sarsaparilla in cases of Fits, of course never recommended it, and was surprised to receive the following from an intelligent and respectable Farmer in West Auburn County

*Fordham, August 13, 1847*

Dr Townsend—Dear Sir I have a little girl, seven years of age, who has been several years afflicted with Fits we tried almost every thing for her, but without success, at last, thought we could find no communication in your circulars for cures, &c here, we thought, as she was in very ill health, we would give her some of your Sarsaparilla, and am very glad we did, for it not only restored her strength, but she has had no return of the Fits, to our great pleasure and surprise She is fast becoming a hearty girl for which we feel grateful Yours respectfully,

JO IN BUTLER, 2

*FEMALE MEDICINE.*

Dr Townsend's Sarsaparilla is a sovereign and speedy cure for Tic-pain, Consumption, Barrenness, Prolapsus Uteri or Falling of the Womb, Gestation, Fits, Leucorrhœa or Whites, Retroversion, and difficult Menstruation, Incontinence of Urine or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherent cause or causes, produced by irregularity, illness, or accident Nothing can be more surprising than the invigorating effects on the human frame Persons all weakness and lassitude from taking it at once become vigorous and their countenance indicative of health immediately commences the use of the first dose, which the cheeks, lips and eyes of the patient will fast assume a healthy color. In a word it is impossible to describe the great benefit and astonishing results which will follow the use of this great remedy in all cases requiring a tonic and gentle cordial action.

*TO MOTHERS AND MARRIED LADIES*

The assortment of medicines which I have already prepared in reference to females are complete. No female who has reason to suppose she is approaching that critical period, *"Dead Lift"* should neglect to take it, as it is a sure preventative for most of the numerous and painful diseases to which females are subject from that time. *I have used it myself for several years by using this medicine* Nor will it lose an order for those wishing of obtaining womanhood as it is calculated to assist nature by quickening the blood and invigorating the whole system. In reference to females particularly, for all the delicate diseases to which we are subject

Hence the whole system, must be permanently the natural organs—by removing the impurities of the body which are retained in us to produce consequent relaxation—which is the case of most females taken before the above named disease. By using a few bottles of this agreeable remedy several painful surgical operations may be prevented

*GREAT BLESSING TO MOTHERS AND CHILDREN*

It is the safest and most effectual medicine for purifying the system and relieving the suffering attendant upon childbirth ever discovered. It strengthens both the mother and child, and is a great relief to those who have used it in their confinement. Those who have used it think it indispensable.
